- Can work late nights from home if needed for website updates.

Multimedia

- Proficient in Adobe Creative Masters Suite.
- Have created and edited commercials, music videos and short films.
- Skilled in Audacity, a program which allows you to cut and edit audio.
- Will learn new programs fast and effectively if needed.
- Capable of working DV cameras and capture videos to computers.

Photography

- Proficient in Adobe Creative Masters Suite.
- Working knowledge of photography and lighting.
- Able to edit ordinary photos and manipulate them in color and theory.
- Proficient with point and shoot as well as SLR cameras.

Advertising

- Work alongside a team to provide complete campaign packages including slogans and page spreads.
- Able to create and edit flyers, brochures and other visual outlets.
- Proficient in Adobe In-Design and Adobe Illustrator for advertising spreads.
- Work in team atmosphere to discover creative solutions to packaging and labeling.

Microsoft Office '98 & 2007

- Proficient in Word
- Proficient in PowerPoint
- Proficient in Publisher
- Proficient in Outlook
- Working knowledge of Excel, can master if needed.

Art History

- In October of 2006 I had a class on Art History dating from Cave Drawings to Modern Art, this gave me a working knowledge of the history and provided me with a love for all it has given us.
- In March of 2008 I received a class on Public Speaking which I believe would help as a Docent.

Human Resources

- I have received many classes since August of 2006 which dealt in management and human behavior.
- In my last job at RadioShack I was also an assistant Hiring Manager and aided in the hiring process.

Employment

Radio Shack Corporation: October 2005 – January 2008

Sales

Training

Unofficial working role of assistant manager while manager was away, no hired assistant manager, which included but not limited to payroll, and scheduling.

Moved to Florida in January of 08 and worked full time as a student to finish my degree.
